

PAINTED EDGE BUSINESS CARDS

Painted Edge Business Cards are perfect for customers looking to gain an *edge* over the competition. This 32pt Ultra Thick Cardstock will not only increase brand awareness, but will help increase sales as well. With the addition of Metallic Colored Edges, companies can now expand the impact of their designs and create a more striking and unique statement in the marketplace. Painted Edge Business Cards are available in U.S. Standard Business Card Size (2" x 3.5") and are printed on Uncoated White Stock.
